OFFICIAL NOTICE

Dear < First > ,

Valid 30 days from < MAILDATE >

We have many new or pre-owned vehicles available for consumers that have great credit to bad credit. We work with many of the best financial institutions nationwide that specialize in being flexible with consumers credit status for auto loans. With a purchase of a new or pre-owned vehicle, it could only help but strengthen your credit status. Over the years we have helped thousands of consumers strengthen their credit and also rebuild their credit.

< First > , in 2014 millions of Americans had less than perfect credit. Thankfully with an automotive loan it has helped those thousands rebuild their credit.

< First > , if you fall in line with one of those thousands that have been helped, then we are ready to help you.

Our process is secure, convenient, fast and allows you to speak with one of our credit experts. We will match your automotive needs with the right lender source so you drive away in a new or pre-owned vehicle today!

Sincerely,

Important information before reaffirming your current auto loan if You have or are going through a Bankruptcy! Reaffirming an auto loan does not count as rebuilding after a bankruptcy and will not be reported to major credit bureaus. Once a bankruptcy is filed, all open lines of credit stop reporting.
